

The winemaker

The Champagne Vignier found its root in the family farm founded by Mr. Paul VIGNIER in 1966 in the heart of Champagne-Ardenne, in Sézanne.

Over the years, the farm grows and the first investments in wine-growing material emerge. In 1974, a partnership started with LAURENT PERRIER, followed by BRICOUT, new partnership that lasted 23 years.

In 1989, passionate about the wine culture, his son Jean-Philippe started studying viticulture and oenology in Beaune. In 1995, accompanied by his wife, he decided to take over the family business and created few years later the brand « Champagne VIGNIER ». From the beginning, the couple VIGNIER decided to focus his sales on Champagne Millésimé over 36 months.

Since 2003, a new collaboration was born with the winemaker VEUVE CLICQUOT PONSARDIN which allows them to benefit an expertise, responding to a particular quality charter and the support from a professional team with an international reputation.
